

Apathy

Key: D

VERSE 1

A **G**
I'm starting to notice
A **G**
That life can lose it's color
Bm **A** **G**
When I can't see a thing
Bm **A** **Em**
Come pull out apathy

VERSE 2

This world frozen in water
Numb, numb to it's sinking
When I can't feel a thing
Come melt my apathy

CHORUS

G **D/F#** **Em**
Shake off the dust
G **D/F#** **Em**
Come and unbury my love
G **D/F#** **Em**
I want to toss all aside
G **D/F#** **Em**
And make You proud of my life

VERSE 3

Help me to move with a vision
And love without condition
When I move a thing
Remove my apathy

BRIDGE

Em **D**
Take what we could not give up
Em **D**
Bring new life to our stale love
